Report of Cleanliness and Plastic Mukti Rally
Session 2018-19

Name of the Program: Cleanliness drive and Plastic Mukti Rally

Date: 28.9.2018

No. of Students Participated: 45

On behalf of Shri Shivaji College of Education, Plastic Liberation Rally was held on 28th September 2018. College professors and students of B. Ed. participated in this rally. It was aimed at encouraging people in the society to avoid use of plastic covers and bags that cause irrevocable damage to the environment. Plastic should be banned because Plastic bags don't decompose. Once they land in oceans and forests, plastic bags are eaten by animals, causing various health issues, which often result in death. The Plastic Liberation Rally helps people understand the impacts of plastic pollution on human and ecosystem health and how everyday actions can lessen the problem. On a positive side, saying no to plastic means saving up tons of plastic waste discharged into the ocean, reducing the risk of marine animals ending up dead because of the plastic waste ingestion, and encouraging the use of environmental friendly material.
