

### 2.2.3:

#### REPORT ON CATERING TO DIFFERENTIAL STUDENT NEEDS

Appropriate learning exposures are provided to students to enhance teaching skills throughout all semesters. Within 2 weeks after admission, we conduct various group based on the methods offered to the students for conducting group works the group activities are conducted without any prior notice. The learning levels of the students are decided using their performance in microteaching group. Some challenging assignments are given to the learners to encourage them to study more advanced topics. For enhancing teaching skills we conduct some extra lectures and explain the topics which they find difficulty to understand in subskills. College conducts various activities to enhance teaching competency of students.

- Guiding for career planning.
- Discussion or seminar on the advanced topic
- Guiding and encouraging to communicate research papers in conferences/Journals
- Guiding the students for Competitive Examinations. TET ,TAIT CTET, NET,SET.PAT
- Training programs for gaining advanced technical KNOWLEDGE
- Encouraging students to participate in various symposiums like quiz, poster presentation, Conferences, inter institution competition etc.
