To make perfect social life balance, equal rights should exist between men and women. The overall objective of **gender equality** is a society in which women and men enjoy the same opportunities, rights and obligations in all spheres of life. In order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, we need to change the mode of interaction at all levels. To increase the outreach for creating an environment that fosters equal treatment. Government of India envisages engagement of Gender Champions in all educational institutions across the country. Under this instruction our college Shri Shivaji College of Education, Amravati organized Poster competition on 23.12.2019 on "Gender Equality". Students from B.Ed. II Year were participated in it. This event explored the thought process of students regarding the theme.

Report of Cleanliness and Plastic Mukti Rally
Session 2018-19

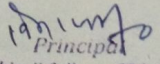

Name of the Program: Cleanliness drive and Plastic Mukti Rally

Date: 28.9.2018

No. of Students Participated: 45

On behalf of Shri Shivaji College of Education, Plastic Liberation Rally was held on 28th September 2018. College professors and students of B. Ed. participated in this rally. It was aimed at encouraging people in the society to avoid use of plastic covers and bags that cause irrevocable damage to the environment. Plastic should be banned because Plastic bags don't decompose. Once they land in oceans and forests, plastic bags are eaten by animals, causing various health issues, which often result in death. The Plastic Liberation Rally helps people understand the impacts of plastic pollution on human and ecosystem health and how everyday actions can lessen the problem. On a positive side, saying no to plastic means saving up tons of plastic waste discharged into the ocean, reducing the risk of marine animals ending up dead because of the plastic waste ingestion, and encouraging the use of environmental friendly material.

The Indian Government launched the Digital India campaign to make government services available to citizens electronically by online infrastructure improvement and also by enhancing internet connectivity. It also aims to empower the country digitally in the domain of technology. Digital literacy skills allow you to find, use & create info online in a productive & useful way. Having an understanding about digital literacy means you're able to use technology safely and it helps you avoid its dangers. Under this our college Shri Shivaji College of Education, Amravati organized Poster presentation on 20.12.2017 on Digital India to make aware and accept the challenges of it. Principal of the college Dr. Vanita Kale, all teaching and non-teaching staff and students actively participated in this program.

Report of Orientation Lecture on Health Awareness and Medical Check-up Camp
Session 2017-18

Name of the Program: Orientation Lecture on Health Awareness and Medical Check-up Camp.

Date: 24.12.2017

No. of Students Participated: 70

Health Awareness and Medical Checkup Camp was organized on 24th December 2017 at College of Education, Amravati. For this, the principal of the college, Dr. Vanita Kale, all the professors, non-teaching staff and students of the college were present in large numbers. In the first session, an orientation lecture on Health Awareness was conducted by Dr. Monali Dhole, followed by a medical check-up by her team in the second session. The chief objective of this campaign is to inform, educate and make people aware about their physical and mental health and the dietary needs. Inculcating in them to lead an addiction free, drug-free, tension-free healthy life was another important objective. People have been further educated during this campaign about the importance of Raja Yoga meditation as taught by Brahma Kumaris and a value-based lifestyle for absolute physical and mental health.
