About the College

Shri Shivaji College of Education is one of the leading academic and dynamic institutions of Shri Shivaji Education Society, Amravati, in Vidarbha region of Maharashtra State. It was established in 1960. We must proudly mention here that Dr. Panjabrao alias Bhausaheb Deshmukh the first union Agriculture Minister of independent India, a great visionary, academician and social reformer was the founder president of Shri Shivaji Education Society. The institution has made its mark in the field of education not only through the quality, quantity and diversity of students its has produced but also by the social commitment to educate the masses. Our institution have been a standing example for reaching success and sustaining it. NAAC Reaccreditation was completed in 2014 and accredited A grade with CGPA 3.53. The magnificent building of our institution stands with well equipped labs, class rooms, play grounds, well computerized library, hostel and having own Research Cell which provide guidance to Research Scholars of PH.D. College is upgraded as College for Teacher Educaion in 2004 by Ministry of Human Resource Development of India. It has also the study center of various courses of Y.C.M.O.U. Nashik. Ultimately all the blessings are of authorities of Shri Shivaji Education Society, Amravati.

About National Seminar

Education is the penultimate instalment that can being progressive changes in the society. To improvise the system attempts have been made to make situational changes to ensure fitness of the system through effective contribution. Looking into the volume of recommendations here before the National Education Policy 2020 is going to bring major paradigm shift with a prima-face hope of revolutionizing the education. It is imperative to create comprehensive understanding and awareness of the society. It is mentioned in the policy that Education is fundamental for achieving full human potential, developing an equitable and just society and promoting national development. Universal high quantity education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country and the world.

The new NEP 2020 will change the face and future of Teacher Education in India as well by introducing Integrated Teacher Education programme (ITEP). Shri Shivaji College of Education is trying is bring all stakeholders across the country on one platform to discuss / access the presence, need, promotion and introduction of NEP and its impact on Teacher Education system in India.
