

Shri Shivaji Education Society's
Shri Shivaji College of Education
Shivaji Nagar Amravati.
(Affiliated to Sant Gadge Baba Amravati University)

To,
All Staff members and students,
Shri Shivaji College of Education
Amravati.

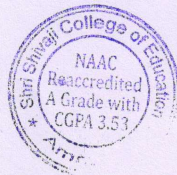

If you're considering making the switch to a new vehicle, you are requested to switch to electric vehicles. The benefits of electric vehicles include reduced emissions, lower fuel costs, and a quieter ride. Electric vehicles are also low maintenance and offer a smooth driving experience due to their instant torque. Secondly, it's important to consider the different types of electric vehicles available in the market. These include battery electric vehicles, plug-in hybrid electric vehicles and extended-range electric vehicles. Each type of electric vehicle has its own unique characteristics and benefits, so it's important to choose the one that best suits your needs.

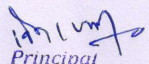

As the world becomes more conscious about reducing carbon emissions and promoting sustainable living, electric vehicles have gained attention as a promising solution for reducing the environmental impact of transportation.

Henceforth all the staff members as well as all students are requested, if you want to buy your next vehicle, you should consider an electric vehicle.

This benefits mother earth as well as monetary benefits.
